

RENFREWSHIRE RIDING CLUB

MEMBERSHIP APPLICATION - 2011/12

www.renfrewshirerc.org.uk

The Club's membership year runs from October 2011 to October 2012. This year the annual fees for members are:

Membership Type	Description	Fee
Junior	Children under the age of 17	£20
Senior	Anyone over the age of 17	£26
Joint	Two members resident at the same address	£40
Family	Two senior and two junior members	£60

In order to keep administration costs down, the Club is keen to use e-mail to keep in touch with members, send information, newsletters etc. It would be helpful if you could let us have an e-mail address that you use regularly and are able to receive personal e-mails/attachments from the Club.

The Club is run by members for members. Everything the club does is only possible due to the goodwill and efforts of its members. In order to run events, the Club needs help from its members and it is a condition of joining that each member helps out with at least one event each year. The sort of help you will be asked to give may include: stewarding, moving jumps, hospitality, catering, dressage scoring, dressage writing, show-jumping writing, setting up/helping/clearing away at shows.

Although not everyone is interested in competing, the Club would like to be able to field teams at different competitions throughout the year. This is not always a serious affair and the Club is really keen to encourage all members to represent the club in competitions - even if they just want to have fun or try something new. If there are enough people interested, the Club will be able to field multiple teams and will be able to match people according to their ability and "competitiveness".

There is a section for you to indicate if you are interested in competing for the Club on the form. If you are not sure, or want more information about any aspect of competing for the Club, please let us know in the space on the form and a committee member will be happy to answer any questions you have.

In past years the Committee has spent too much time organising activities and events that have received very little support. It would assist us greatly if you could take the time to indicate which Club activities/events you would be interested to participate in. A clear indication of support will enable us to provide a programme that suits the requirements of our membership. Please take time to complete this section on the last page.

Please tick the category of membership you are applying for:
